While in the game, type one of these codes to apply it. The level window must be activated, so if the cheat won't work, try clicking inside the Level Window. Please remember that cheating will disable saving.

Debug cheats

These cheats are good for debugging levels and episodes.

Command	Description
shadowstar	Turns you into Black Mario, you can go through walls in this state.
wherearemycarkeys	Spawns a Key in your hands (use in a Keyhole).
stickyfingers	You can grab any NPC with this (enables Grab All).
moneytree	Coins count go up very quick, giving you a lot of 1-UPs.
donthurtme	Makes you invincible (enables God Mode).
stophittingme	Hits the player. Can kill you. Useful when you want to be hit or killed without turning the donthurtme cheat off temporarily.
wingman	Makes flying power-ups (Raccoon, Tanooki, Fairy Link, Gold Link) and Yoshis fly without limits.
sonicstooslow	Makes the player run really fast.
ahippinandahoppin	Unlimited jumping, you can jump in the air.
framerate	Shows your framerate on the top-left part of the game's screen.
istillplaywithlegos	Resets all Blocks/Tiles in the level.
stopshittingonme	Harm player

Item cheats (Item Stock)

These cheats spawn the item in question in your Item Stock (the item box). You'll have to catch the grabbable items in the air after dropping them from the box.

Command	Description
needashell	Spawns a green Koopa Shell in your Item Stock.
needaredshell	Spawns a red Koopa Shell in your Item Stock.

World map cheats

These cheats only work on the world map.

Command	Description
imtiredofallthiswalking	Shows you all paths and levels.
illparkwhereiwant	Lets you walk anywhere you want.

Miscellaneous cheats

Most of these cheats were made just for fun.

Command	Description
wetwater	The level you're in becomes a water level, meaning you can swim everywhere.
wariotime	Turn all enemies in screen into coins.
captainn	Allows you to stop time by pressing the pause button (Does not work if "Pause" is set on the "Esc" key).
flamethrower	Fire Flower, Ice Flower and Hammer Bro Suit shoots much faster.
fairymagic	Makes your character turn into a fairy.
iceage	Freezes all surrounding enemies.
itsrainingmen	1-UPs rain.
donttypethis	Bombs rain.
speeddemon	sets Max FPS on.

Cheats that don't exist

These cheats have been claimed to exist on some SMBX cheat threads, but they really don't.

Command	Description
lavaplayer	Makes the player able to swim in lava.
thedoorsunlockednow	Unlocks all the doors.
